Phillip Edge, Chair  
Langport Transport Group

15<sup>th</sup> November 2021

Dear Phil

I am writing on behalf of Langport Town Council to confirm the Council's support for the new station project.

The Town Council feel a new railway station will widen residents travel choices.

In January 2021 the Town Council resolved to make a financial contribution to the project and confirmed that the Town Council fully supported the feasibility consultation into a new railway station

Yours sincerely

Deborah Speed  
Town Clerk
