Dear Phil,

Railway Station on Line in Langport to Somerton Area

Thank you for the presentation which you gave to councillors at the meeting on 23rd February on this exciting project which would benefit the whole area. The Council agreed to send this letter of support for the proposals and to follow progress with the scheme. Unfortunately it did not feel able to contribute to the cost of the feasibility study due to many other commitments in the midst of the pandemic. However, I understand from talking to other interested parties in the Street area that they also consider this to be a valuable project and are considering making a financial contribution to it. I would like to take this opportunity to wish you every success with your proposals.

Yours sincerely,

Linda A. Ruff
Parish Clerk

P. Edge,
Chair of Langport Transport Group
